P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant submitted an Amendment on June 7, 2006 in response to the Office Action of March 8, 2006. It has come to the attention of the undersigned that an error appears at page 8, line 12 of the Amendment, in the Remarks section. Specifically, the description of an element of Claim 1 is incorrectly presented.

The second sentence of the second full paragraph of the Amendment, i.e. the sentence beginning on page 8, line 9, should read as shown below:

The adhesive tie layer comprises a) a copolyester elastomer, b) a non-polar polymer and c) a copolymer that contains functional groups capable of reaction with the functional end groups of component (a) and that is totally or partially miscible with the non-polar polymer in the second outer layer.

It is respectfully requested that this Supplemental Amendment be entered to correct the inadvertent error.

Respectfully submitted,
